

UNIVERSITY OF EDINBURGH AMENDMENT TO PUBLICATION AGREEMENT

The University of Edinburgh has recently adopted an Open Access Publications Policy which requires staff members to deposit their research outputs where appropriate into the Edinburgh Research Archive¹ in order to maximise the visibility of the University's research. More details of this policy are available online at the University of Edinburgh Information Services website².

1. THIS Amendment hereby modifies and supplements the attached Publication Agreement concerning the following Article:

(manuscript title)

(journal name)

2. The parties to the Publication Agreement and to this Amendment are:

(corresponding Author)

And

(the Publisher)

3. The parties agree that wherever there is any conflict between the Amendment and the Publication Agreement, the provisions of this Amendment are paramount and the Publication Agreement shall be construed accordingly.

4. Notwithstanding any terms in the Publication Agreement to the contrary, the AUTHOR and PUBLISHER agree as follows:

4.1. Professional Activities. The Author retains the non-exclusive right to create derivative works from the Article and to reproduce, to distribute, to publicly perform, and to publicly display the Article in connection with the Author's teaching, conference presentations, lectures, other scholarly works, and professional activities.

4.2. Author's Final Version. The Author retains the non-exclusive right to distribute copies of the Author's final version by means of any web server from which members of the general public can download copies without charge. "Author's final version" means the final version accepted for journal publication, and includes all modifications from the publishing peer review process.

4.3. Acknowledgment of Prior License Grants. Where applicable, the Publisher acknowledges that the Author's assignment of copyright or the Author's grant of exclusive rights in the Publication Agreement is subject to the Author's prior grant of a non-exclusive copyright license to the Author's employing institution and/or to a funding entity that financially supported the research reflected in the Article as part of an agreement between Author or Author's employing institution and such funding entity, such as an agency of the United Kingdom government.

5. Final Agreement. For record keeping purposes, the Author requests that the Publisher sign a copy of this Addendum and return it to the Author. However, if the Publisher publishes the Article in the journal or in any other form without signing a copy of this Addendum, such publication manifests the Publisher's assent to the terms of this Addendum.
